

# BRIGANTIA COMPUTER EXPERTS

## IF YOU ARE AN INDIE WHERE DO YOU STAND ON THE FOLLOWING?

**Members of Brigantia are expected to maintain ethical standards of professional conduct at all times.**

- ▶ Members must conduct all business in a fair, honest and ethical way.
- ▶ Members must honour all property rights including copyrights and patents.
- ▶ Members must respect the privacy of others.
- ▶ Members must honour confidentiality.

This is the Brigantia Code of Ethics and Professional Conduct and any violation of it is inconsistent with membership of Brigantia.

If you have a Brigantia calibre business then why not join with the thousand or so other like-minded professionals?

Let your customers know that they can expect the level of service that a Brigantia Computer Expert can provide.

### **Membership benefits include...**

- Special discounts and pricing
- Reduced cost or in some cases FREE delivery
- FREE business and legal helpline
- Reduced cost debit and credit card processing
- Enhanced commission rebate agreements
- Central purchasing hub launching 2010  
**and much much more...**

**Email today and arrange to speak to an external account manager:
