### ITagree – MSP Beacon Bundle

**Are you confident that your customer contracts are watertight?**

Partners must stay on top of customer challenges, meet their growing maturity and expectations, and continue to provide amazing services.

The “Brigantia ITagree - MSP Beacon Bundle” provides partners with quick and easy access to the tools, agreements, and guidance they require.

With the right agreements in place, partners can navigate everyday challenges and capitalise on opportunities while remaining risk-averse and adaptable to change.

### How it Works

- Delivery to you - directly after your initial selection session with ITagree
- Make it Your Own
  - add details of your services
  - complete grey shaded areas and follow guidance notes (additional support available by Brigantia legal product specialist)
- Access to ITagree’s agreement specific video tutorials and guidance

- Access to a members only forum for ongoing responsive guidance to agreement questions and issues
- Automatically receive agreement updates as they become available

### Beacon Bundle Subscription

Receive up to five agreements as standard!  
Popular agreement choices include:

- Cloud Supply Agreement (Microsoft/CSP Partners)
- Managed Services Agreement
- Private Cloud Hosting Agreement
- Security Services Agreement
- SaaS Supply Terms (reseller, multi-product)

Other agreements are available and will be showcased to you at the kick off “Agreement Selection Meeting”.

**Make your customer contracts watertight today to reduce your business risk both now and in the future.**
